This load of Shorthorn feeders, grand champions over all breeds at the 1946 Denver National Western, averaged 475 lbs. each, sold for 47 cents a lb., brought \$223.25 apiece, highest total price ever paid per feeder steer. They outsold by \$20 a head feeders of another breed of the same age which later brought 50 $\frac{1}{4}$ cents a lb. They were exhibited by the Winkler Sisters, Castle Rock, Colo., and sold to Albert and Ed Fritzler, Sterling, Colo.

SHORTHORNS Best in Every WEIGH!

"Shorthorns are Ideally Suited to the Eastern Farm"

This is the catalogue of the First Annual Sale of the Maryland Shorthorn Breeders Association. For one hundred years the Shorthorn Herd Book has recorded the ancestors of these cattle in the United States. During this period much good blood has been brought from Scotland to strengthen that which we had, and the cattle which will be offered in this Sale represent high standards in both pedigree and type.

The breed is not new to Maryland. The Crain family at Mt. Victoria has been breeding Shorthorns for nearly fifty years. While the Reeders and the Allens are relatively newcomers, their herds are well established, and of top quality.

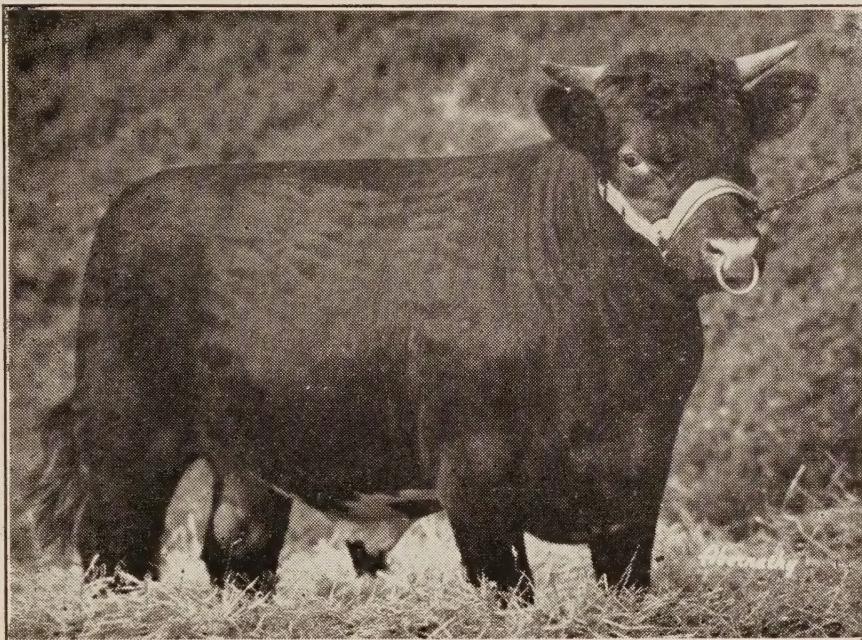

In addition to the Maryland bred cattle being offered, we are proud to present consignments from three of the leading herds in the United States, Edellyn Farm, of Wilson, Illinois; Marellbar Farm, of Libertyville, Illinois; and F. W. Harding, of Anoka Farm, Waukesha, Wisconsin, also, the consignments of Neal James of Dodgeville, Wisconsin, and Vincent Baker & Co., of Edmund, Wisconsin. The Maryland Shorthorn Breeders Association is much indebted to these breeders for the assistance which they have given us.

Shorthorns are ideally suited to the Eastern farm. There is no breed which thrives so well on good grass and roughage. In the British Isles, the Argentine, and other countries where beef cattle represent a major industry, Shorthorns not only predominate,—they have no close second.

The prices which Shorthorns have commanded have never been inflated. The prices which you will pay will be sound prices. No better investment can be made than is offered by Shorthorns.

The Maryland Shorthorn Breeders Association will be very happy to see you at this sale and to welcome you to the fellowship of Shorthorn breeders.

H. L. STRAUS, President,
Maryland Shorthorn Breeders Association.

WINIFRED 28TH—Is a Tomson Winifred and that is about all that knowing cattlemen need to know to attract their attention. The Maxwalton Harvester cattle have done exceedingly well and this choice 2-year-old, bred February 2, to Edellyn Command, the grand sire of Tomahawk, should prove to be a good buy.
